## **Complaints**

The Board is authorized to receive complaints against licensees or applicants from any person. A complaint form may be obtained from the board office or this web site. The Board may in its own motion, in the absence of a written complaint, initiate its own complaint and conduct an investigation of a suspected violation if reasonable cause exists to believe a violation has occurred.

## **Disciplinary Action**

Arkansas Code Annotated (A.C.A.) §17-103-305 authorizes the Social Work Licensing Board to take disciplinary action against licensed social workers when it finds a violation of the Social Work Licensing Law has occurred. A.C.A. §17-103-106(b) authorizes the Board to assist the Prosecuting Attorney in enforcement of the Social Work Licensing Law as it pertains to unlicensed individuals who practice social work or represent themselves to the public as social workers.

The list of disciplinary actions is updated as new actions are taken.
